

Name	: ABC Hospital
Registered Office	: Madhya Pradesh
Date of Establishment	: 2018
Sector/ Industry	: Multispecialty Hospital
Brief about the Hospital	<p>➤ Overview</p> <p>Established in January 2018, the hospital has swiftly emerged as a trusted provider of high-quality, patient-centric healthcare services in the region. Within a short span, it has attained NABH accreditation and distinguished itself as the first multispecialty facility in the area to offer comprehensive critical care and 24x7 emergency services. Strategically positioned to serve a population of over 4–5 million within a 100-kilometer radius, the institution is guided by a clear vision—to become the preferred tertiary care destination in its catchment area. The hospital remains focused on enhancing its clinical offerings through the adoption of advanced medical technologies and continuous service excellence, all while maintaining affordability and accessibility for the community it serves.</p> <p>➤ Key Highlights</p> <ul style="list-style-type: none"> • Strong Operating History: Over 6 years of operations with a solid track record of community-focused care and patient trust. • First private hospital in the region to provide integrated super-specialty services including Neurosurgery, Cardiology, and Orthopedics. • NABH accreditation, affiliation with multiple TPAs, and empanelment with government health schemes. • Technology-Driven Care: Pioneer in adopting advanced equipment like the Philips Azurion M12 Cath Lab and the region's first brain & spine microscope. • High Patient Footfall: Established regional leadership and significant repeat patient base.
